Tips to keep our school communities safe

As children settle back into regular (for the most part) school routines, parents can help keep their school communities safe by following a few simple guidelines. 1: Be aware. Read up on the school's COVID-19 safety plans, and prep your children for what to expect. 2: Be charitable. Understand that everyone in school may not share the same views, and remind yourself and your children to be kind. 3: Be consistent. Help your children build healthy habits at school and at home. God's Word for Children

Thirty-third Sunday in Ordinary Time
The prophet Daniel writes about a book (Daniel 12:1).
Everyone whose name is found written in this book will be given eternal life.
Read the math problem at the left.
Pick the correct answer on the right and circle the word above it.
When you're done, read the circled words from top to bottom.
They'll explain how everyone can get their name in this important book.

OLPH IS A NONDISCRIMINATION SCHOOL

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

PROMESA DE PROTEGER — COMPROMISO PARA SANAR

Consejos para mantener seguras nuestras comunidades escolares

A medida que los niños regresan a las rutinas escolares regulares (en su mayor parte), los padres de familia pueden ayudar a mantener seguras sus comunidades escolares siguiendo algunas simples recomendaciones. 1: Sea consciente. Lea sobre los planes de seguridad COVID-19 de la escuela y prepare a sus hijos para lo que pueden esperar. 2: Sea caritativo. Comprenda que es posible que todos en la escuela no compartan los mismos puntos de vista y recuérdese a usted misma/o y a sus hijos que deben ser amables. 3: Sea consistente. Ayude a sus hijos a desarrollar hábitos saludables en la escuela y en el hogar. Para obtener más información, solicite una copia del artículo de VIRTUS® en inglés, "Back-to-school during the pandemic" (Regreso a clases durante la pandemia) en lacatholics.org/did-you-know.
