Words can be warning signs of abuse

Many children will be learning in their own homes this fall, but that does not mean they will be fully protected from abuse. Sadly, most children are abused by someone considered to be a "known and trusted" person – that person may be a family member – even someone living in the same house as the child. Pay attention to the conversations your children are having, as words can be indicators that a child is being groomed or harmed. If your child or their friend(s) seem to "know" more about sexual topics than would be expected for their age, or seems unusually focused on such topics, it could be an indicator that something inappropriate and harmful is happening. Talk to your child about it, reassuring them that it is both important and safe to tell you what is happening. For more information on this topic, visit <https://lacatholics.org/did-you-know/>.

PROMESA DE
PROTEGER

COMPROMISO PARA
SANAR

Las palabras pueden ser señales de alerta de abuso

Muchos niños estarán aprendiendo desde sus propios hogares este otoño, pero eso no significa que estarán completamente protegidos de abuso. Lamentablemente, la mayoría de los niños son abusados por alguien que se considera una persona "conocida y de confianza", que pudiera ser un miembro de la familia, y que hasta puede vivir en la misma casa que el niño o niña. Preste atención a las conversaciones de sus hijos, ya que las palabras pueden ser indicadores de que un niño está siendo abusado o dañado sexualmente. Si su hijo/a o sus amigos parecen "saber" más sobre temas sexuales de lo que se espera para su edad, o parecen inusualmente enfocados en esos temas, esto puede ser indicador de que algo inapropiado o dañino está sucediendo. Hable con sus hijos sobre estos temas, asegurándoles que es importante y seguro que ellos le digan lo que está sucediendo. Para obtener más información sobre este tema, visite <https://lacatholics.org/did-you-know/>.

40 DAYS FOR LIFE

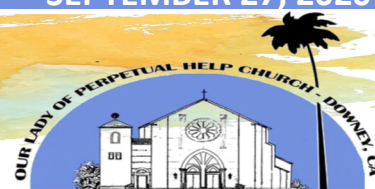

¡AYUDA A SALVAR VIDAS!

40 Días para la Vida es un foco de oración global que llama al pueblo de Dios a orar por el fin del aborto en sus propias comunidades y en todo el mundo. La campaña de otoño es del 23 de septiembre al 1 de noviembre.

El centro de aborto de Downey está en 8635 Firestone Blvd., donde se han tomado miles de vidas de bebés por nacer. Tantas iglesias están a sólo una milla de ella, y todavía está en pie, aparentemente sin oposición.

Por favor, planeen ir allí con un compañero de oración para ORAR y ser testigos contra esta mayor injusticia de nuestro tiempo, la toma de vidas inocentes de los no nacidos. La industria del aborto es gigantesca, pero nosotros los católicos tenemos el arma secreta en su contra, ¡el santo Rosario!

40 DAYS FOR LIFE™

Help Save Lives!

40 Days for Life is a global prayer focus which calls the people of God to pray for the end of abortion in their own communities and around the world.

The Fall campaign is from Sept. 23 until Nov. 1.

Downey's abortion facility is at 8635 Firestone Blvd, where thousands of unborn babies' lives have been taken. So many churches are only within one mile of it, and still it stands, seemingly unopposed.

Please plan on going there with a prayer partner to PRAY and stand as a witness against this greatest injustice of our times, the taking of innocent lives of the unborn. The abortion industry is gigantic, but we Catholics have the secret weapon against it, the holy Rosary!

For more information about 40 Days for Life, go to their website at 40daysforlife.com. We are in need of a Director to coordinate prayer times in Downey, so if the Lord is calling you to this task, please contact Patti Sharpe through the office.
