Do a school bus safety review

School buses are the most regulated vehicles on the road, and they are designed to be safer than any other vehicle your child can ride in. As we begin another school year, parents should go over safety rules with their children. Safety begins at the bus stop, where children should pay attention to other cars on the road, and always wait with a parent or safe group of neighbors. For more information about school bus safety, visit https://www.nhtsa.gov/road-safety/school-bus-safety.

PAPAL INTENTIONS FOR AUGUST

FOR SMALL BUSINESSES

We pray for small and medium sized businesses: in the midst of economic and social crisis, may they find ways to continue operating, and serving their communities.

Día festivo de La reina de la Santísima Virgen María oración Lunes, 22 de agosto

Dios todopoderoso, que nos has dado como Madre y como Reina a la Madre de tu Unigénito, concédenos que, protegidos por su intercesión, alcancemos la gloria de tus hijos en el reino de los cielos. Por nuestro Señor Jesucristo. Amen.

Realice una revisión de seguridad del autobús escolar

Los autobuses escolares son los vehículos más regulados en las calles y están diseñados para ser más seguros que cualquier otro vehículo en el que pueda viajar su hijo. Al comenzar otro año escolar, los padres de familia deben repasar las reglas de seguridad de los autobuses con sus hijos. La seguridad comienza en la parada del autobús, donde los niños deben prestar atención a otros autos en la calle y esperar siempre con un padre de familia o con un grupo seguro de vecinos conocidos. Para obtener más información sobre la seguridad en los autobuses escolares, visite https://www.nhtsa.gov/es/seguridad-vial/seguridad-con-el-autobus-escolar.

"El Señor esta cerca del corazón quebrantado; Rescata a aquellos cuyos espíritus están aplastados." Salmo 34:18

Este Salmo nos asegura a todos que nuestro Dios esta con nosotros en tiempo de gozo y sobre todo en tiempo de tristeza. El dolor es un dolor profundo normal conectado a la perdida un ser querido. Sentir, procesar y pensar en la perdida puede ser una parte esencial de la sanación, pero debemos hacer mas que esto para sanar. Necesitamos un plan, asistir al grupo de duelo es una manera de empezar.
